## Staying Safe and minimising risks at

All visitors, staff, traders, volunteers, contractors, exhibitors and attendees to the show are advised to take a lateral flow test in the 3 days prior to attending the show - if positive then please follow Government guidance and DO NOT attend the show, if negative we look forward to welcoming you to the St Margaret's Summer Fayre 2021

It is also recommended that you take a test in the 3 days after attending the show, again please follow Government guidance if positive.

## VISITOR GUIDANCE

PLEASE STAY SAFE WHILST VISITING THE ST MARGARET'S SUMMER FAYRE

Following the simple rules listed below will help to keep you and your family safe from E. coli 0157 and other infections that may be found on or around animals.

**Now Wash Your Hands**

You may see this sign all around the show and it is there to remind you to wash your hands

**STOP**

**Now Wash Your Hands**

You may see this sign at the entrances to eating areas or as you leave animal areas, after you have touched animals or items in an animal area

If you see this sign it means this is where you can wash your hands
